

Raise some brass for Marie Curie Cancer Care

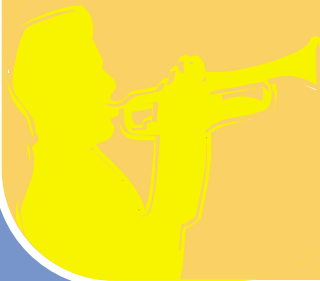

By playing live at one of our Great Daffodil Appeal collections in March, you or your band could raise hundreds of pounds for cancer care in your local community. Just two or three musicians can create a carnival atmosphere at one of our collections.

Every year cancer claims the lives of more than 150,000 people in the UK. Sadly the majority of these people have no choice but to die on a hospital ward. Marie Curie Cancer Care provides expert home nursing and emotional support, entirely free of charge to families affected by cancer, making it possible for patients to be cared for in the comfort of their own homes.

March 2006 marks the 20th anniversary of our annual Great Daffodil Appeal. Please play your part in the appeal and help us raise the £4 million we need to improve care resources for the terminally ill.

To register or find out how to take part in your area, please contact **Nicola Harrison** on 020 7599 7320 or email daffodilmembers@mariecurie.org.uk
